Enrollment in the Division of Continuing and International Education includes students who are not seeking a degree and meet the requirements as noted in each category.

Please read carefully before completing application

Conditions Applying to Continuing Education Enrollment
Enrollment in a nondegree program and/or satisfactory completion of courses does not imply admission to a degree program.

a) Student may enroll for a maximum of 12 credits per semester.
b) Grade point average of 2.5 must be maintained after 12 credits have been attempted or student will be dismissed.
c) No more than 30 credits completed in nondegree status may be applied toward an undergraduate degree.
d) Courses taken for undergraduate credit (including 500 level courses) will not be considered for graduate credit at a later date.
e) Previous academic credit earned will not be evaluated until degree seeking admission is requested.
f) According to academic regulations, a person dismissed or rejected from the University of Miami may not enroll for one calendar year.
g) Student previously enrolled in a degree seeking status at the University of Miami is no longer eligible to enroll as nondegree seeking status until they have earned an undergraduate degree.

Health Insurance
All new domestic students taking six or more credit hours per semester are required to obtain adequate health insurance. The annual premium for the health insurance plan offered through the Student Health Service is added to each student’s fee/s. Domestic students with alternative health insurance coverage may request a fee waiver by providing the name of the insurance company and the policy number at/or prior to registration.

All new students are required to provide proof of immunization. Students who do not comply with these requirements will not be able to register for subsequent semesters.

More information can be found at: www.miami.edu/student-health

Immediate questions regarding the health insurance requirement may be referred to the Student Health Service 305-284-1652.

International Students
a) International students in nondegree enrollment will not be issued I-20 forms.
b) International students in B1 (business) or B2 (pleasure) visa status may engage in study as long as the educational activity is secondary to the principal activity for which the visa was sought.
c) Enrolling in 6 credits or less constitutes secondary educational activity.
