

**STUDENT SHORT TERM OR LONG TERM EMERGENCY LOAN APPLICATION**

Should the Department of International Student and Scholar Services be able to assist you with a loan, repayment of this loan is crucial to our being able to offer this aid to other students as well. Keep in mind that interest begins to accrue on this loan if not paid by the due date, according to University policy. Your repayment check is to be made payable to the University of Miami. Payments should be directed to the Cashiers in the Ashe Building. Due dates vary, but all loans must be paid by the last day of class of the semester in which they are made. At the time the loan is repaid to the cashier of Student Account Services, **the receipt of payment should immediately be brought to the Department of International Student and Scholar Services in order to clear your record.**
