

Location

The University of Miami Conference Center is housed on the third and fourth floors of the James L. Knight International Center/Hyatt Regency Hotel in downtown Miami.

Hotel elevators near the Hyatt lobby take you to our administrative offices and computer labs on the fourth floor. Our third floor facilities can be accessed by stairs, elevator, or escalator.

METRORAIL

Take Metrorail to Government Center station. Proceed to the Metromover, Inner Loop for the most direct route. Take the Omni line and in two stops, get off at Knight Center. Down escalators take you to the Tower lobby. Turn right off the escalator and proceed to the UM/Knight Center/Hyatt Hotel via the air-conditioned, covered walkway.

DRIVING DIRECTIONS

The most convenient access is to take the Biscayne Blvd. exit from I-95 to S.E. 2nd Street. Turn right at the light and then take an immediate right into the hotel's drive. To the left is valet parking in front of the hotel. For self-parking, bear to the right and take the next right into the garage. Parking elevators will take you to the Tower lobby that is connected to the UM/Knight Center/Hyatt Hotel by an air-conditioned, covered walkway.
