INTERNATIONAL health “TRANSCULTURAL Nursing

The University of Miami and Universidad Nacional Andres Bello in Santiago, Chile have collaborated to provide a unique opportunity to experience “International Health” abroad at Clinical Naval Hospital. Undergraduate Students will experience different nursing skills; make clinical decisions for patients with multiple health care needs; and implement “Transcultural Nursing Care” in an indigenous acute-care setting. Limited availability. RSVP by 10/7/05. Please contact Dr. Fajardo at 305-284-6259 or vpfjardo@miami.edu.

Highlights

- ◆ Cost is approximately \$1,700, EXCLUDING TUITION. Includes Airfare, accommodations, and transportation to and from the clinical site.
- ◆ Safe accommodations in an indigenous area
- ◆ Elective course, 3 credit hours
