

Directions to the
M. Christine Schwartz
Center for Nursing and Health Studies
5030 Brunson Drive, Coral Gables, Florida 33146

1. **From US 1 / South Dixie Highway** turn onto **Granada Boulevard**. Go underneath the Metrorail line and follow Granada past the first traffic light (at Ponce de Leon Drive). Continue to the **SECOND LIGHT**, which is **Pisano Drive**.
2. Make a **LEFT** at the light onto **Pisano Drive**. (Note: Pisano Drive is not well marked. At the Second Light, go past the small triangular traffic island and make a LEFT.)
3. Continue on Pisano, past the **STOP SIGN**. **Doctor's Hospital** will be on your right and several UM parking lots on your left.
4. Pisano ends in a T-intersection. Turn **LEFT** at the T-intersection, onto **Campo Sano Avenue**.
5. **Brunson Drive** will appear shortly on your **LEFT**. (Note: Brunson Drive is really an entrance to a large UM parking lot. A more prominent signal for Brunson Drive is the **UM sign** indicating the following buildings: Bill Cosford Cinema, School of Continuing Studies, Memorial Classroom Building, Merrick Building.) Turn **LEFT** when you see this sign.
6. Proceed ahead into a large parking lot area. Turn **RIGHT** at the first **STOP SIGN**. The M. Christine Schwartz Center is the second building (large new building) ahead on the **LEFT**. If you proceed through the parking lot, you will be directly in front of the Schwartz Center when the parking area ends.
