

NURSE ANESTHETIST SCHOLARS PROGRAM

The University of Miami Miller School of Medicine is committed to providing educational and employment opportunities for individuals interested in the Nurse Anesthetist profession. In furtherance of this commitment, the Miller School of Medicine created the Nurse Anesthetist Scholars Program. This program provides full in-state tuition scholarship at the University of Miami School of Nursing, plus a stipend for books and fees. The scholars selected to receive the scholarship commit to full-time employment at the University of Miami Miller School of Medicine hospitals or clinics for a consecutive thirty-six month period following their graduation.

Eligibility Requirements:

- Be admitted to the School of Nursing Nurse Anesthetist Program
- Maintain full-time enrollment in the School of Nursing Nurse Anesthetist Program
- Have and maintain a minimum cumulative 3.0 Grade Point Average
- Graduate and achieve state or national licensure or certification applicable to field

Application Process:

- Scholarship applications will be pre-selected by the Nursing Scholars Program Selection Committee of the Miller School of Medicine.
- All necessary documents must be submitted together with the scholarship application. Applications will not be accepted if documents are missing.
- Complete application packets should be sent to the following address:

Alina Sanchez-Garcia
Associate Director
