The Coral Gables campus has been experiencing a high number of vehicle burglaries, specifically where portable Global Positioning Systems (GPS units) have been stolen from inside motor vehicles parked on campus. In most cases, the vehicle’s window was broken to gain access.

There is a simple way to prevent yourself from becoming a victim: DO NOT leave ANY property visible inside your vehicle. When you park, all GPS units, wallets, cell phones, iPods, cash, laptops, bags and any other personal property needs to be put in your trunk, center console or glove box. It is also a good idea to record the serial numbers of all personal property you own.

Help keep our campus safe by reporting ALL suspicious persons and activity to UM Police at (305) 284-6666. You can remain anonymous.

The University of Miami Police Department is also looking for information on a hit and run accident where three parked vehicles were struck and significantly damaged on Tuesday, November 6th in the area of the Art Building on the north edge of campus (lot 1-109).

Anyone with information regarding these crimes, or information that may lead to the apprehension of those responsible, is asked to call UM Police at 305-284-6666 (8-6666 from a campus phone) or Crimestoppers at 305-471-TIPS (8477) where you will remain anonymous and become eligible for a cash reward.

REMEMBER:
- Report all emergencies immediately by calling 911
- To request a campus safety escort, call 305-284-6666 or use a blue light telephone
