

Student and Faculty Required Information

Nursing Student and Faculty Participants:

School affirms the students listed below have completed the following health requirements. The school must have on file documented proof of the health status of each student and faculty, including examination and documentation from a physician that they are free of communicable disease.

1. Two tuberculin skin tests are required within one year before your clinical rotations at Baptist Health. If you have not had a PPD test within the last year or lost proof of your test, you may be tested twice as long as it is within a 3-week time period but no more than one year. If the second PPD is positive, a chest x-ray must be taken and the result must be negative.
2. Current CPR Healthcare Provider card.
3. Liability insurance coverage.
4. Proof of Rubella and Rubella immunity by positive antibody titers or two doses of MMR.
5. Varicella immunity, by positive history of chicken pox or proof of Varicella immunization.
6. Proof of Hepatitis B immunization or completion of a certification of declination of vaccine.
