

October 22, 2009 ATMO Club Minutes

T-Shirt Contest!

- "Today's Forecast: Mostly Sunny with a chance that we don't know what we're talking about."

Remember to sign up on COSO!

Hugh Cobb from Tropical Atlantic Forecast Bureau will be coming to speak

- Be watching out for a date and time!

For Future T-Shirts

- We like hurricanes; they blow harder better faster stronger.
- We predict the future:
- We leave our instruments out for research purposes
- We get paid to look at models.
