WVUM is a non-commercial radio station committed to serving the University of Miami and Miami-Dade County with the finest alternatives in broadcast programming. DJs and staff should understand these goals and work towards them.

If you are interested in becoming a DJ, indicate the shifts you are available for on the reverse side of this sheet. Seniority, availability, and previous experience are all factors in determining who gets a prime time show. However, every applicant will be given equal consideration for overnight shifts. Please be aware that there may not be enough shows for everyone, but due to circumstances, shows may become available. Please be patient and feel free to get involved in any department in the meantime.

I, _____ agree to follow all the rules and regulations of WVUM and the Federal Communications Commission (FCC) and swear that all the above information is true and correct.
