Campus Parking

Permit Parking (Students, Faculty, and Staff)

All vehicles regularly parked on the Coral Gables campus must be registered with the UM Parking and Transportation office and have a current, valid, and appropriate University of Miami parking permit displayed.

Colors identify parking lots on campus. Park vehicles in designated spaces only where the color designator printed on your parking permit. The complete Parking and Transportation Rules and Regulations are available online at university.edu/transportation.

Zipcar members, 18 years old or older, may rent a vehicle for as little as $5 an hour, a whole day, or even as little as a few hours for a flex rate. Membership includes 120 free maintenance visits per year, automatic vehicle maintenance, and more information about the program.

Zipcar Program is also available through the University of Miami parking permit. The University of Miami Coral Gables campus is 100 percent smoke free.
